## **PRESS RELEASE ON THE 65th ANNIVERSARY OF THE ASSASSINATION OF RUBEN UM NYOBE, NATIONAL HERO**

On 13 September 1958, Ruben UM NYOBE, the Secretary General of the Union of the Populations of Cameroon (UPC) was assassinated in Boumyebel by foreign forces and their Cameroonian and African auxiliaries, because of his love for his country, Cameroon.

65 years after this assassination following which our country gained independence although disoriented, the Mpodol fight remains relevant despite all the betrayals - and they were and are still many.

Indeed, the question of the strategic emancipation of Cameroon and the improvement of the standard of living of our compatriots put forward by UM NYOBE and his comrades remains unresolved.

Since its creation, the Cameroon Renaissance Movement (CRM) has supported the authentic political struggle of this courageous compatriot and his companions, worthy sons and daughters of our country. This is the fight of all Cameroonians. It must be part of the fight for the dignity of Africans and the construction of a strong Africa, which imposes itself in the concert of States and Peoples of the world and cooperate with each other in mutual respect.
